A Passionate Pursuit of Christlikeness

II Peter 1:1-11

MY STORY

1. Did you have an allowance growing up? How much was it? What did you like to spend it on?
2. If you could run away for a long weekend anywhere, where would you go?
3. What is one thing you are looking forward to in Heaven?

QUICK REVIEW: What insight, principle or observation from this week's message did you find to be most helpful, eye-opening or troubling? Explain.

DIGGING DEEPER

1. Peter describes himself as a slave for God. What are implications of being a slave?
2. We spent some time on Sunday exploring the relationship between work and faith. How would you describe this relationship? How do we avoid work(s) replacing faith? Why are we tempted to do so?

3. Look at the list of virtues in II Peter 1:5-7. Peter moves from the head/heart of faith to action. Many of us are still trying to work out our faith. Give some examples of what faith in action should look like...
4. Peter says we have been granted everything we need for life and godliness. Why do we still want more or are unsatisfied with what God has given to us?
5. How does exercising Christian virtue work with security of one's faith?

This is the last week of LINK for the Winter quarter. We hope you have been encouraged and looking forward to Spring quarter, right after Easter!
