

LINK group Homework

Week of October 7, 2018
Communion

MY STORY

1. What is your favorite way to eat an apple? What kind of apple do you like the most?
2. What is the hardest physical thing you have ever done? Did you learn something from doing it or going through it?
3. What is your most favorite vacation spot (preferably not a theme park, but if you must...) What makes it your favorite?

QUICK REVIEW: What insight, principle or observation from this week's message did you find to be most helpful, eye-opening or troubling? Explain.

DIGGING DEEPER

1. During communion, we had 2 types of Bitter herbs, what is the value in reflecting on the difficult things of life? There was also an illustration with the Charoset (apple/walnut mixture) of bitter made sweet, do you have any bitter moments that became blessings in disguise?
2. We receive Peace through His death, how? Why do we still struggle with inadequacy or feelings of fear?
